

Expressive Therapy Center, LLC has been serving families in the community for over 25 years. At ETC a multidisciplinary team of therapists and psychologists strive to provide culturally conscious and evidenced-based treatment for all ages.

**Description:**

Expressive Therapy Center is an outpatient private practice clinic that provides individual, group, family, and couples therapy for children, adolescents, and adults. In addition, ETC offers comprehensive psychoeducational assessments that are conducted on site at our North Potomac location. Externs will have the opportunity to gain experience in intake assessments, individual therapy, group therapy, community consultation, psychological evaluations, and collaboration with ETC clinicians. Externs have opportunities to coordinate with outside providers such as school counselors, teachers, psychiatrists, pediatricians, and other specialists. ETC hosts virtual and in-office programs to support the community: the Breast Cancer Buddies Program, Coaching for Positive Parenting, and the Xpress Yourself Summer Camp.

Clinicians have training in various orientations such as psychodynamic, CBT, TF CBT, IFS, ACT, DBT, The Gottman Method, art therapy, dance and movement therapy, and play therapy. Individual and family presenting concerns range from ADHD, ASD, depression, anxiety, adjustment issues, school issues, social skills, relationships, divorce, blended families, anger management, parenting, chronic illness, grief and loss, life transitions, eating disorders, addictions, and trauma recovery.

**Requirements:**

The Externship Program at ETC requires a maximum of 16 hours per week with weekly individual and group supervision. In-person and virtual sessions are available. Some early afternoon to evening hours are required, as well as availability on one weekend day. ETC hosts a two-week Xpress Yourself social skills Summer Camp for children ages 4-15 where extern participation is required. Individual and group supervision will be held weekly.

Practicum at ETC is a 13-month commitment with an orientation training period running from May 15 to June 15, 2022.
