

Externship Description:

Expressive Therapy Center, LLC

Contact: Stephanie Natter, LCPAT (Clinical Director) (301-869-1017 ext. 1)

Description: Outpatient private practice, offering individual, family, and couples counseling as well as group therapy for children, adolescents and adults. Opportunities for many face-to-face hours and preferences for specific clientele considered. Opportunities to conduct comprehensive psychological assessments also available. Presenting problems include ADD, PDD, LD, depression, anxiety, adjustment issues, social skills, school problems, self-esteem, relationships, job-related stress, divorce, blended families, assertiveness training, anger management, parenting, grief and loss, addictions, and trauma recovery. Weekly individual and group supervision provided. Multidisciplinary approach used, providing extensive opportunities to collaborate with school guidance counselors, teachers, psychiatrists, and pediatricians. Staff works from a variety of orientations, including psychodynamic, CBT, family systems, and utilize play and expressive modalities.

Requirements:

Weekday early afternoon and evening hours and 3-4 hours on Saturday or Sunday necessary for group sessions. Site requires year-long commitment. Participation in 2-week summer camp also required.

Materials Requested: CV, Cover Letter and 2 letters of recommendation
